Village of Kirkland
511 W. Main Street
Kirkland, IL 60146

Dear Mr. Becker

On or around October 25th, 2011; a number of channels will be moving from their current channel locations. We are moving these channels to make it possible to launch our Ultra 50mbps high speed internet service around the first of the year and other future enhancements. The changes are as follows:

Channel Line- up Changes Effective on or around October 25th

Channel	Previous Channel #	New Channel Channel #	Digital TV Tuner Channel #
College Access Waubensee College	15	15†	85.11†
Mediacom Local	19	81†	106-17†
C-Span	21	96	
HSN	70	75†	87-23†
Hallmark	71	70	
The Weather Channel (TWC)	75	71	
TMC HD	791	792	

Customers that **currently have** Mediacom Digital Equipment on their televisions will not need to do anything. The channels will automatically move in their new locations. Customers without Mediacom Digital Equipment will need to reprogram their televisions on or around October 25th.

A Digital Ready Television, Digital Receiver or Digital Tuner will be required to receive Mediacom Local (channel 14†), College Access (channel 15†) and HSN (channel 75†) on or around October 25th. Up to three (3) Digital Adaptors are available from Mediacom for Broadcast Basic or Family Cable Subscribers for no monthly charge*. Customers can contact their local office to pick up a Digital Tuner or call 888-847-6228 for more information.

Sincerely,

LeeAnn Herrera
