

**Village of Kirkland Board of Trustees Regular Meeting
Kirkland, Illinois 60146
Monday, June 1, 2026**

OFFICIAL MINUTES

- I. **Call to Order** – President Block called the Board of Trustee Regular meeting to order at 7:01 P.M.
- II. **Roll call** - Members answering present as follows: Trustee Michener, Trustee Benes, Trustee Marshall, Trustee Fruit, and Trustee Chambers. Trustee Ziegler was absent. Also, in attendance were: Public Work Supervisor James Stark, Police Chief Adam Davenport, Village Attorney Matthew Walter and Village Clerk, Leslie Scidmore.
- III. **Pledge of Allegiance** – President Block led the Board of Trustees in the Pledge of Allegiance.
- IV. **Comments from the Audience** –
 - a. Lou Ferrante shared his respect for police and public service, but his issue is with community safety. He's concerned with the speed of traffic at 3rd Street and Hortense. He would like to see more police presence patrolling the neighborhood and surrounding areas better.
 - b. Sally Jones shared her concerns with several residential homes and yards that are not being cared for per village ordinances. She's made several complaints and wants to see results taking place. President Block said B&F Construction Code Service, Inc, our building code inspectors are currently addressing these issues. Sally also asked about having the Village Meeting recorded so the public can view. The board said they would look into it.
 - c. Lisa Upchurch stated that she received the Notice letter of the New Utility Rate increases for water and sewer. She said Hickory Ridge residents have an annexation agreement with the village that they would be exempt from connecting to the Village Sewer system, therefore she wants to know why they would have to pay any sewer fees on their utility bill. After some open discussion it was decided that the board would take it under advisement and make a decision.
 - d. Rodger & Jean Bauer asked about the road conditions and pot holes in the Hickory Ridge neighborhood. President Block stated that due to the existing litigation the Village is not able to due any repairs until the litigation is done. Linda Fett asked about the construction trucks and Euclid trucks coming into the neighborhood to turn around. President Block asked Public Works to post the sign that no trucks are allowed to turn around in the neighborhood.
 - e. Linda Fett said she noticed that the Queen of Hearts is on the agenda, therefore she would like to share her preference for consideration of having two people win \$250,000 rather than one person win \$500,000.
 - f. Richard Drew asked about the Bull Run Fee on the Utility Bill. President Block explained that due to a decision made in the 1990's to build Kirkwood Subdivision with basement, when they had been instructed that those houses were not supposed to have basements due to being in a flood zone. They were supposed to build a retention area, but did not, and they rerouted the creek more than was permissible. Block stated that in 2017 when he became Village President, he discovered that FEMA and INDR were frustrated with the Village of Kirkland for the last 15 plus years due to lack of communication from the prior Village leadership regarding the necessary steps they were requiring the Village to take in order to fix the issue. Block said it

was under his administration that the required steps were implemented in order to stay in compliance with FEMA and INDR. In doing so the Village had to obtain an IEPA loan to pay for the work done. Currently, the Village as a whole is still paying the loan, which is why each resident has a Bull Run Creek fee on their utility bill.

- V. **Approval of Minutes** – President Block asked for a motion for the approval of Regular Meeting Minutes for Monday, May 4, 2026. Trustee Fruit made a motion to approve the Regular Meeting Minutes for Monday, May 4, 2026, with a 2nd by Trustee Chambers. On a voice call vote all in favor. Motion carried. Trustee Ziegler was absent.
- VI. **Approval of Warrant** – President Block asked for a motion to approve the Warrant in the amount of \$109,856.00. Trustee Benes made a motion to approve the Warrant for \$109,856.00, 2nd by Trustee Michener. On a roll call vote Trustees Marshall, Fruit, Chambers, Michener and Benes voted yes. Motion carried. Trustee Ziegler was absent.
- VII. **Guest Speaker** – None
- VIII. **Reports** –
- a. **Police Report** – Chief Davenport gave his report for May 2026 activity, please see attached.
 - b. **Public Works** – Jim Stark gave his report for May 2026 activity, please see attached report.
 - c. **Committee Reports** –
 1. Tree Committee - Trustee Benes said they met on Tuesday, May 12, 2026. St Aubin nursery closed so the committee will be looking for a new plant nursery to work with in the future. The board is waiting for the Village budget to pass to determine if they can continue the 50/50 program in the Fall. Benes reached out to Josh Dodge at Hiawatha School to find out how many of the purchased 475 free sapling trees were given away. He is still waiting to hear back from Josh for those numbers. Benes spoke with President Block about talking to Josh, the FFA and the Tree Commission to see if they can get together and possibly set up a tent booth over the 4th of July festival to give away any left-over saplings. The next meeting will be Tuesday, June 9, 2026 at Village Hall.
 2. Water, Sewer, Streets, Alleys & Parks Committee – Trustee Benes said the entire committee met on May 26, 2026 to discuss the budget. They recommend scheduling a Committee of the Whole meeting in the near future.
 3. DeKalb County Regional Planning Commission – No updates
- IX. **Unfinished Business** –
- a. Discussion / Approval of Mowing Road Signs – President Block gave an update that Blake and David are possibly going to be able to get a few signs.
 - b. Discussion / Approval of Tree Removal of Parkway Trees at 313 4th St (2 Trees) – President Block talked to Nick Escobar, External Affairs Manager for ComEd about them removing the parkway trees due to their proximity to the power lines. Nick said he would look into it.
 - c. Discussion / Approval of Annual Flowers for Kirkland signs – President Block said Walnut Gove Nursery donated 18 red, white & blue flowers. Public Works Supervisor, Jim Stark said Weston Bamm with the Franklin Township Park donated some a flat of purple and a flat of white flowers. The village ended up only paid \$18 total for a flat of white flowers.

X. New Business –

- a. Discussion / Approval of the Village of Kirkland Fiscal Year 2026-2027 Board Committees and Planning and Zoning Commission – President Block asked for a motion for the approval of the Village of Kirkland Fiscal Year 2026-2027 Board Committees and Planning and Zoning Commission. Trustee Chambers made a motion to approve the Village of Kirkland Fiscal Year 2026-2027 Board Committees and Planning and Zoning Commission as stated in the packet, with a 2nd by Trustee Marshall. On a voice call vote all in favor. Motion carried. Trustee Ziegler was absent.
- b. Discussion / Approval of Water Leak Adjustment Request Form for 401 W Prairie St – Village Clerk Scidmore explained that the resident had a water leak and provided the necessary data to prove he's fixed the leak. President Block asked for a motion to approve the Water Leak Adjustment Request for 401 W Prairie St. Trustee Fruit made a motion to approve the Water Leak Adjustment Request for 401 W Prairie St as a one-time adjustment, 2nd by Trustee Michener. On a roll call vote Trustees Marshall, Fruit, Chambers, Michener and Benes voted yes. Motion carried. Trustee Ziegler was absent.
- c. Discussion / Approval to File a Claim with RMA to Pay the Remaining Quoted Price from Stenstrom to Fix the Fire Hydrant in Front of Euclid Chemical – President Block shared this was the fire hydrant hit by a driver, so we submitted a claim with his insurance. His insurance will only pay the Village \$5,000 because we were not the only recipients to file a claim with his insurance. There were passengers in the other car hit, so they were paid first and received the larger portion of the claim reimbursement. The cost to fix the hydrant is approximately \$13,000, therefore we decided to contact IML-RMA, our insurance company, to ask what the impact would be to file a claim with them as well for the additional funds to fix the hydrant. IML-RMA stated it would be minimal impact to our insurance rates as we have not had a lot of claims in the past few years. Trustee Chambers made a motion to approve to file a claim with RMA to pay the remaining quoted price from Stenstrom to fix the fire hydrant in front of Euclid, 2nd by Trustee Fruit. On a voice call vote all in favor. Motion carried. Trustee Ziegler was absent.
- d. Discussion / Approval to Increase the Village Hall Cleaning Fee – Village Clerk Scidmore mentioned that we are currently paying a \$50 flat rate per visit for someone to clean village hall for approximately 1hr – 2 ½ hrs. She would like to increase the flat rate from \$50 to \$75 per visit. Trustee Fruit made a motion to approve the increase of the Village Hall Cleaning fee from \$50 per visit to \$75 per visit, 2nd by Trustee Chambers. On a roll call vote Trustees Fruit, Chambers, Michener, Benes and Marshall voted yes. Motioned carried. Trustee Ziegler was absent.
- e. Discussion / Approval of Ordinance Amending Section 111.53 of the Village of Kirkland Municipal Code, Regarding Prize Limits on Raffles – President Block mentioned that a trustee requested that the raffle winning be increased from \$250,000 to \$500,000. President Block and Trustee Fruit stated they would abstain as they are members of the Kirkland Lions Club who host the Queen of Hearts. After open discussion among the board members and the residents in attendance, Trustee Marshall made a motion to approve the Ordinance Amending Section 111.53 of the Village of Kirkland Municipal Code, Regarding Prize Limits on Raffles to increase the raffle winning from \$250,000 to \$500,000, 2nd by Trustee Chambers. On a roll call vote Trustees Chambers, Michener, Benes and Marshall voted yes. Trustee Fruit Abstained. Motioned carried. Trustee Ziegler was absent.
- f. Discussion / Approval of Ordinance to Implement a Traffic Control Device at N 5th & Railroad

St – President Block asked for a motion to approve an Ordinance to Implement a Traffic Control Device at N 5th & Railroad St. Trustee Fruit made a motion to approve the Ordinance to Implement a Traffic Control Device at N 5th & Railroad St, 2nd by Trustee Michener. On a roll call vote Trustees Michener, Benes, Marshall, Fruit and Chambers voted yes. Motion carried. Trustee Ziegler was absent.

- g. Discussion / Approval of Ordinance and (IGA) with Library through 4/30/27 – President Block stated that the IGA agreement keeps everything “as is” through 4/30/27. The Village will retain ownership of the library building, but the library board will have financial responsibility with the exception of the water and sewer fees. The library board will purchase the building for \$1 in May 2027 and assume full ownership. Trustee Chambers made a motion to approve the Ordinance approving the (IGA), and a motion to approve the (IGA) with the library through 4/30/27, 2nd by Trustee Michener. On a roll call vote Trustees Benes, Marshall, Fruit, Chambers and Michener voted yes. Motion carried. Trustee Ziegler was absent.
- h. Discussion / Approval of Ordinance Amending Section 51.01 of VOK Code regarding After-Hours Utility Service Reconnection Fees – Attorney Walters explained that this ordinance would allow the Village to charge a \$200 After-Hours Utility Service Reconnection Fees, in addition to the \$100 Reconnection Fee to residents who request Public Works to reconnect their utility service after business hours. This is a service fee, not a fine or penalty fee. President Block asked for a motion to approve the Ordinance Amending Section 51.01 of VOK Code regarding After-Hours Utility Service Reconnection Fees. Trustee Chambers made a motion to approve the Ordinance Amending Section 51.01 of VOK Code regarding After-Hours Utility Service Reconnection Fees, 2nd by Trustee Fruit. On a roll call vote Trustees Marshall, Fruit, Chambers, Michener and Benes voted yes. Motion carried. Trustee Ziegler was absent.
- i. Discussion / Approval to Update Ordinance(s) for Sale of Village Owned Properties – President Block explained that the publication dates were updated, as the prior dates had lapsed. Attorney Walters asked about adding the minimum bid purchase amounts in the publications, and the board confirmed they would like the minimum bid amounts added. The minimum for the Benham lot is \$5,000, plus closing fees. President Block said he would provide Attorney Walters the purchase price for the three lots in the Kirkland Industrial area, in order to determine the minimum bid amount for the lot being put up for sale. Trustee Chambers made a motion for the approval to update Ordinance(s) for Sale of Village Owned Properties subject to all appropriate minimum bid requirements, with a 2nd by Trustee Benes. On a roll call vote Trustees Marshall, Fruit, Chambers, Michener and Benes voted yes. Motion carried. Trustee Ziegler was absent.
- j. Discussion / Approval to Purchase Sludge RX and Action Packs for the Lagoon System – Public Works Supervisor Stark said this is an annual \$6,500 purchase for a four-month application to the Lagoon. Trustee Fruit made a motion to approve the purchase of Sludge RX and Action Packs for the Lagoon System in the amount of \$6,500, with a 2nd by Trustee Chambers. On a roll call vote Trustees Fruit, Chambers, Michener, Benes and Marshall voted yes. Motion carried. Trustee Ziegler was absent.
- k. Discussion / Approval for Purchase of 1 load of Cold Patch – Public Works Supervisor Stark shared the need to purchase cold patch to repair the worst places in the roads. He said 1 load is three tons and cost about \$500-\$600. Stark mentioned that later in the year he would like to test a few cold patch areas by adding sealant in hopes of preventing the removal of the

cold patches during winter months when plowing. Trustee Fruit made a motion to approve the purchase of 1 load of cold patch not to exceed \$600, with a 2nd by Trustee Michener. On a voice call vote all in favor. Motion carried. Trustee Ziegler was absent.

1. Discussion / Approval to Purchase Squad Tires for Squad 104 and Squad 107 – Police Chief Davenport stated that the tires on Squad 104 are bad and keep leaking thus a liability issue. Squad 107 had a tire blow out. The quoted price from Suburban Tire for tire replacements is \$1,162.58 for Squad 107 and \$1,089.18 for Squad 104. Davenport mentioned squad 104 is projected to be sold in the near future, therefore the cost of the new tires should be included in the asking sell price. Trustee Michener made a motion to approve the purchase of Squad tires for Squad 104 and Squad 107 not to exceed the amount of \$2,251.76, with a 2nd by Trustee Chambers. On a voice call vote all in favor. Motion carried. Trustee Ziegler was absent.
 - m. Discussion of Fiscal Year 2026-2027 Village of Kirkland Budget – President Block said that the final budget numbers were added to the report, but he would like to schedule a Committee of the Whole meeting to review everything one last time before passing the budget at the Board of Trustees Public Budget Hearing on Monday, June 15, 2026. Trustee Fruit asked if there were any updates on Bonds, Attorney Walters explained that getting a bond is a multi-month process and probably would require a Bond Retainer Fee possibly in the range of \$10,000 - \$20,000, and they may allow the bulk of the initial bond cost of \$60,000 - \$70,000 to be rolled into the bond. The Village will have to retain Bond Council, and Attorney Walters is hoping we could do a Limited Placement, which is a faster process and does not require going to the Bond Market but rather to banks and other large institutional investors. The board trustees agreed to move forward and explore the option of getting a bond.
- XI. Adjournment – At 8:43 P.M., the Village Board discussed that the next meeting would be Wednesday, June 10, 2026, for a Committee of the Whole Budget session. The next General Board meeting would be Monday, June 15, 2026. President Block asked for a Motion to Adjourn. Trustee Fruit made a Motion to Adjourn with a 2nd by Trustee Benes. On a voice call vote all in favor. Motion carried. Trustee Ziegler was absent. Meeting Adjourned.

Committee of the Whole Budget Meeting will be Wednesday, June 10, 2026 at 7:00 P.M.

Board of Trustees Public Budget Hearing/Regular Meeting will be Monday, June 15, 2026 at 7:00 P.M.

6/1/2026

Village of Kirkland, Illinois May 2026 Monthly Police Report Village Board Meeting 7:00pm

The Kirkland Police Department handled sixty-five (65) reportable activities for the month of May. This number is lower than usual, due to the decreased part time hours, hours in training for all officers due to mandates, and also increased time on specific calls for service.

Example: Disorderly Conduct with multiple follow-ups

Auxiliary Officer flyer—created and distributed--explain

Community Garage sales June 5th-7th—be aware of increased traffic during that period of time, please drive carefully! Be aware of people being inside your garage or near interior home doors inside of your garage. Cameras are cheap and easy to install and help assist law enforcement in identifying and prosecuting people committing crimes

NITAB training on the 4th and 7th—the training was conducted by a NITAB approved Instructor from another agency, and we had multiple agencies here in town. Great feedback on the PD and space, and generated additional sales at local food establishments with our guests who had to take lunch!

Squad 107— began making a strange noise, thought it was rotors/brakes possibly, but it was bad and went in to get inspected. I was expecting the worst and great news, a rock had lodged into a part of the wheel and was causing the noise. It was located and removed no cost! Oil change was performed and back in service!

May 20th Chief Attended the DeKalb County Hazard Mitigation Plan—spoke to Mayor and Leslie about documents following this call.

In 2007, DeKalb County and participating municipalities, through the DeKalb County Mitigation Planning Committee, developed and adopted the DeKalb County All Hazards Mitigation Plan (Plan), dated January 2008 and updated in 2013 and 2020, to meet the hazard mitigation planning requirements of the Disaster Mitigation Act of 2000 (DMA 2000) administered by the Federal Emergency Management Agency (FEMA). The Plan identifies activities that can be undertaken at all levels of government and by the private sector that can reduce the health hazards and property damage caused by floods, tornadoes, and severe storms.

FEMA requires that the Plan be updated every five years. This is the first meeting of this series.

School:

May 22nd Field Day —successful with KPD and radar trailer

May 22nd 6pm —High School Graduation—successful

May 26th —8th Grade Graduation—successful

May 27th—Last day of school—successful

Discussions to meet in August to prepare for the next school year. We will also meet with School Maintenance throughout the summer to assist with completing recommendations from school safety review 2025-2026.

PUBLIC WORKS REPORT

MAY 2026

WATER & SEWER DEPARTMENT

- Cleaned out a layer of floating grease in the Wet Well
- Flushed and flow tested fire hydrants all throughout town
- Continually having to reset Pump #1 at the Wastewater Plant due to pump going air bound

STREETS DEPARTMENT

- Fixed several road signs that had been bent or damaged
- Put up flags for Memorial Day
- Put up several banners which had been loosened in high winds
- Marking JULIE locate requests along Pearl Street for the mainline cable replacement, and along Route 72 for the new crosswalks, as well as other places

PARKS

- Dug out the top layer of old, stony dirt in the Community Garden & replaced with the extra dirt from the bridge project
- Spraying and hand-pulling weeds at the Behnke Park playground as well as spot treatments around town
- Mosquito fogger recalibrated and certified for the year
- Planted a new Christmas Tree at the Franklin Township Park

MAINTENANCE

- Replaced two blown hydraulic hoses on the Bobcat Skid steer
- Ex mark Mower went in for 3 new spindles under warranty & new blades

TRAINING

- Jim & Joe took a PFAS class in Freeport about filtration and disposal
- Blake & Chandler went to the Ferguson waterworks training
- Jim & Chandler went to leak detection training in Carol Stream

NEXT MONTH?

Leslie Scidmore

Sent: Thursday, May 28, 2026 1:08 PM
To: Ryan Block; Leslie Scidmore; John Michener; Jessica Fruit; Sarah Ziegler; Erik Marshall; Dan Chambers; Brian Benes
Subject: Public Works Budgets (3)
Attachments: Copy of 2026 Budget - Proposed Rev 6.xlsx

Key components to Budget

Removal of 1 FT employee, placed in part time position of 1000 hrs.

Streets:

Sell old Bobcat skid steer to make last payment on new skid steer.

No more salt purchases after this next purchase already ordered (May of 2025).

100 % of MFT money going to bridge payment.

Get rid of all ComEd street lights in town except for Main St. Reduce them to 50% of operating hours.

No mosquito abatement after using current stock.

No sidewalk repairs budgeted for current year.

Water:

Due to Meguire Iron contract water dept. budget can not be balanced with current revenue stream.

Sewer:

Balanced - assuming no emergencies all year, wastewater pumps continue to go air bound.
