Permit Application Packet

Dear Applicant,

Decks

Thank you for taking the time to apply for a permit for your proposed project. By obtaining a permit you are assuring that your project will be designed and completed to meet or exceed all safety standards written by the International Code Council and adopted by the Village of Kirkland. Please review the requirements in this packet carefully to help assure your permit is processed in a timely fashion. Failing to provide the necessary information will likely delay the approval process of your project.

A completed building permit application is required for all building permits. All information must be filled in on the application.

IMPORTANT! The Village will charge a \$55 re-inspection fee for failed inspections.

| Driveways | e: \$114.00 |
|---|------------------|
