

# Got Time to Grow with Us?

We are looking for volunteers and people that are looking to get involved. If you have a love for gardening or are interested in learning about gardening then consider getting involved with the Kirkland Community Garden. This is our **2nd** year

and we would love to have everyone that is willing to participate and get their hands a bit dirty to get involved. The reward is fresh vegetable to eat and share, as well as getting to know your neighbors, and helping our local food banks.

## Donation List

🌱 Seed packets    🌱 Vegetable Plants    🌱 Plant Markers

🌱 Fertilizer    🌱 Newspaper    🌱 Tomato Cages    🌱 Fencing
