Description of Work		
In consideration of this application and attached forms being made a part thereof and the issuance of permit. I will confirm to the regulations set forth in the Village of Kirkland Code and Ordiances. I agree that all work performed under said permit will be in accordance with the approved plans, specifications and plat diagram which accompanies the application, except for such changes as may be necessary and authorized or required by the building official. I will contact the Kirkland building department for the required inspections and prohibit the occupancy or use of any space until a Village inspector has conducted a final inspection and that all required inspections have been approved by the Village inspector. I understand that I will be charged in advance for the initial Building Permit Plan Review fee. I also understand that a \$68.75 re-inspection fee will be charged for any failed inspections, which must be paid at Village Hall before the next inspection can be scheduled.
